

Itsy Bitsy Spider

The itsy bitsy spider
climbed up the waterspout.

Down came the rain and
washed the spider out.

Out came the sun and
dried up all the rain,

And the itsy bitsy spider
climbed up the spout again.

★ Motions: ★

The itsy bitsy spider climbed up the waterspout

Use your fingers to mimic a spider climbing
(touching thumb to opposite index finger alternately).

Down came the rain

Wiggle your fingers as you bring
your hands down like falling rain.

And washed the spider out

Sweep your hands to the side as if
washing something away.

Out came the sun

Raise your arms above your head in
a big circle like the sun.

And dried up all the rain

Fan your hands out to the sides
to show drying.

And the itsy bitsy spider climbed up the spout again

Repeat the spider climbing hand motion.
